### INTRODUCING THE TEAMS (PLAYER CAPSULES ON PAGE D2)

Over the course of the next few days, we will look back at the top teams, players and moments in Stark County high school baseball from the decade.

Today, we introduce a Stark County All-Decade Baseball team compiled by the staff of The Canton Repository.

We selected 25 players with an honorable mention list. To be eligible, players must have graduated from a Stark County school and had to play their senior season in the county within the 2011-20 time frame — so players with remaining eligibility were not considered for this team.
